

PROJECT WORKER

ABOUT BRATHAY

At **Brathay** we know everyone has the capacity to do extraordinary things that can inspire and benefit others. This drives our mission to improve the life chances of **children, young people and families** by inspiring them to engage positively in their communities. Our charitable achievements are supported by the knowledge in our **research hub** and revenue from our **people and organisation development** consultancy along with our enterprising fundraising. We work throughout the UK to inspire people and organisations to achieve and deliver results from our network of locations across the North of England, including our inspiring Lake District base. Our expert teams engage and encourage people of all ages and backgrounds to discover the Brathay effect, enthused by our belief in the transformational power of people working together

VALUES | HOW WE DO IT

- Inspiring
- Supporting
- Sharing
- Achieving

CONTEXT OF THE ROLE

This role will work with young people across Cumbria and the North West, delivering projects for young people in the community. This will include our Be Savy programme which aims to prevent child sexual exploitation for young people who are demonstrating risk taking behaviours. We raise awareness, support engagement and work towards areas of personal development to reduce vulnerability to CSE.

You will work with young people across Cumbria and the North West to improve their life chances and reach their full potential through Be Savy and other programmes. You will build confidence, skills and resilience underpinned by an improved sense of wellbeing utilising developmental tools and techniques including experiential learning, coaching techniques, behaviour modelling and behaviour change, to ensure the projects you lead have the maximum positive impact on the lives of the participants.

Brathay projects are delivered from a strengths-based perspective, having unconditional positive regard for every young person; working with them to build Awareness Choice Action. In this role, all projects will be led by this approach.

WHAT YOU'LL BE DOING

- Facilitating high-quality programmes for young people across Cumbria
- Leading projects in the community, from the point of referral through to completion
- Working with colleagues at partnering organisations to identify the young people who could benefit from taking part in projects

- Working with young people for up to 12 weeks during daytime, evenings and weekends
- Support young people to connect with local organisations that can offer further support, training or activities
